

## Update from the Build Site

I know that I am starting to sound like a broken record but once again I have nothing but good news from the build site. We have made our initial goal of being dried in and we hit that milestone just in time. We finished the last of the outside work the day before it started snowing.

Before I give you the update on what has been happening on the build I just want to take this opportunity to thank everyone who has volunteered, with special thanks to the Codgers. These guys and gals have gone above and beyond this year. They have proven that they are definitely the backbone of our organization. I want to give a special shout out to Roger Willemsen who received this year's Habitat Helping Hands award. He truly is a fine craftsman and well deserving of the award.

Here is what happened over the last couple of months. The Lewiston Firefighters from IAFF Local 1773 did our roofing again. There were 8 guys and they completed the roof in just over 3 hours. As good as they are, the same job would have taken the Codgers 3 weeks. We completed the siding and trim and about 99% of the touch up painting. Ken Paulson Plumbing has completed the rough in plumbing and we are just waiting for inspection. Wrightway Mechanical has the HVAC also ready for inspection. Jim Fredenburg started the electrical last week.

One thing that really deserves special attention is the story of our garage door. Girl Scout Troop 3210 of Pullman donated earnings from their cookie sales, just over \$1000 to purchase the garage door for us. I don't know how many boxes of cookies that is, but I do know where I will be buying my Girl Scout cookies next year. Thank you soooo much!

So what's next? We're in a holding pattern for a couple of weeks waiting for electrical and inspections. We have another \$25,000 to raise to finish the home. Drywall, insulation and interior painting are the next big projects. We are also keeping an eye on the pandemic. As we have all year, we will make as much progress on the home as we can while keeping our volunteers and construction crew safe.

Once again thank you to everyone who has volunteered or donated or bought something from the Surplus Sale store. We couldn't do what we do without you. Together we can change peoples' lives. I hope that you all have a Happy Thanksgiving, Merry Christmas and a Happy New Year.

*Dave Stradley, Construction Supervisor*

Dave Stradley and Codgers wait for shingles to be delivered.

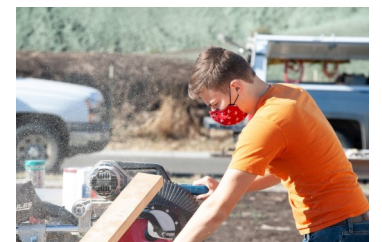

Girl Scout Troop 3210 ribbon cutting to present the garage door.

Girl Scouts sign and decorate the 2x4 studs to put good wishes in the walls of the Habitat home.

A busy build site. From left: Volunteer team from METER Group; Carolyn Adam installs fascia; volunteers install batan; Stephanie Effertz connects the Ufer ground; Dave Ostrom shows off the master bath; Monica Evans, Roger Willemsen and Tom Gooch prepare to install the entry window; Bob Behal, Valerie Linscott and Danielle Courtney lift soffit to the scaffold; Nick Mandel caulks windows; Codgers on the final pour of the driveway; Owen Wallace earns his Citizenship in the Community Badge with Scout Troop 344; Matt Roberts works on the attic access; Marc Ratzlaff installs siding; Brent Bradberry touches up paint; Jim Miller marks studs; Valerie and Mason Linscott install siding starter strips; Dan Hardesty, Belinda Sell and Tom Gooch install window trim.

## Another \$25,000 to go? I can help!

## Meet our Missionaries!

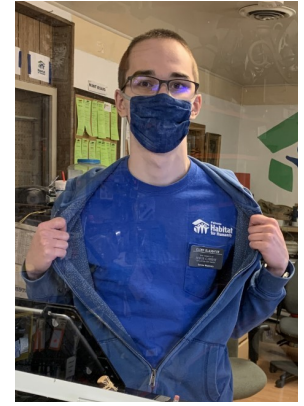

Palouse Habitat for Humanity has had the privilege to receive two LDS Service Missionaries. As part of a new mission program, they serve their two-year mission locally, assigned to different nonprofit organizations as a way to serve the community. Anthony and Austin have been valuable additions to the Habitat team, offering dependability and stability in this uncertain year. Anthony Elliott is a key member of the Home Repair team, responding to requests to install ramps, repair steps and decks and install handrails around the Palouse. Austin Slaughter assists in the office with social media marketing and Beans 'n' Jeans support. Both also help staff the Surplus Sale, working the check out desk and assisting customers and donors.

We are grateful for their service and pleased to introduce these men to you.
