

Volunteer Safety Video Instructions

Thank you for your interest in volunteering with Palouse Habitat for Humanity. As a volunteer-driven organization, we rely on people like you. Each volunteer, donation, and purchase helps Palouse Habitat build a home for someone in need. Volunteering with Palouse Habitat allows you to gain new skills, meet new people, and have fun, all while making a difference. There is no experience required to volunteer.

When reviewing this online safety course, please wait until "Free Online Volunteer Safety Training Course – Helping You Work Safely With Habitat" is displayed after clicking the link. Next, click "Begin Now." You should see "Online Training Course Instructions," the access code is "W8NAEBTG". Click on "Take Training Course Now," enter the access code, and click "Submit." You are welcome to take any of the courses listed; however, we would like everyone to take "[Volunteering On A Habitat for Humanity Job Site](#)." Thank you!
