# 2024 Spring Newsletter

### Just last year the ReStore:

- repurposed 342,000 pounds of material and kept it out of our landfills.
- provided 11,000 community members with affordable home improvement items.
- AND raised \$263,000 to support Palouse Habitat’s home building and repair programs!

New Entrance Sign

Those funds helped build the Aimee Martinez home, AND 39 ramp and repair projects.

We are in the Home Stretch - the final steps are underway to finish the ReStore repair and remodel project we started in 2019. The ReStore is our largest single fundraiser, and with the changes we’ve made, we’re counting on it to help Palouse Habitat build and repair even more homes for our neighbors in need.

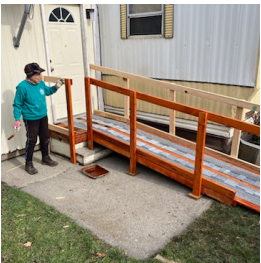

But we need your help! We still have to raise the final \$170,000 of the total \$1.5 million project.

Could you make a one-time gift to help finish this project so the funds raised at the store can help build more homes and install more ramps?

Rick and Roberta Kruger on the doorstep of their Habitat home, 2021.

**Join us at 5:00 pm on Thursday July 13th to celebrate the Grand Re-Opening!**

**Gifts in Honor**

## Construction Update

### Home Build

The Palouse Home

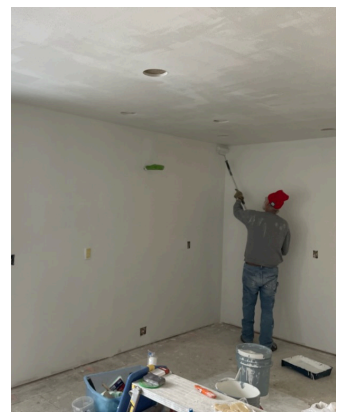

Flooring and cabinets are in, appliances are at the ready, and our team is spending the next couple of weeks finishing up on the inside. Now that we have good weather coming, the team can button up the paint and work on landscaping to hand over another beautiful home.

Nursery St, Moscow ID

Ground work is planned to start soon for another summer build. We have narrowed our homeowner search down to 7 out of 33 applicants and hope to make an announcement soon. Stay tuned!

### Ramps & Rails

Thanks to a great turnout of community volunteers, we have been able to complete 10 ramps so far this year, and the requests keep coming! We are planning to increase our Ramps & Rails capacity this year. One of our methods to do so is a needs assessment that we will be sending out to care agencies in the community to gauge which home repairs are needed most.

## New Staff and Board Member

### Josh Paparazzo

ReStore Manager

Josh grew up in Eastern Washington. He attended the University of Idaho, completing his undergrad and Master's degree in Recreation and Facilities Management. Since then, Josh has served nearly 20 years with various nonprofit organizations. His passion for service began when working at a summer resident camp during college. Josh has three children who are now young adults. You can often find Josh enjoying the outdoors or in his wood shop.

### Jay Harris

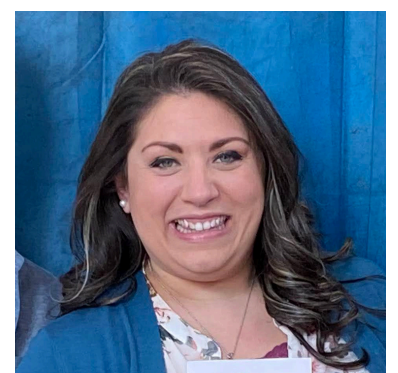

Lead Pick-Up and Delivery Crew

Jay was born and raised in Ridgefield, Washington but fell in love with the Palouse while studying at WSU. After working other jobs, Jay felt it was time to make a change and joined Palouse HfH. His hope is to give more to the region & communities that have given so much to his family. Jay is also an active volunteer in his kids' PTA, Pullman Parks & Recreation, and PYBA (Little League). In his free time, you'll likely find him mountain biking, camping, or at a Cougar game with his kids.

### Aimee Martinez

Board Member

Aimee has called Moscow home since birth. In 2023, she became the owner of her own Habitat home. She is now the first owner of a Palouse HfH home to be joining our board! Aimee brings her love for the organization and is excited to help more families with housing. She believes in the power of the home and what it can do for families and communities alike. In her free time, Aimee likes to camp, ride bikes on the Palouse trails, float the St. Joe River, and go geocaching with her two sons and their dog.
