Home Build

What a wet winter we've had! While our homeowners and volunteers wait for things to dry up on the job sites, we're getting house plans through permitting and estimating. Kaylee's home required a few adjustments to the original plans. We expect to get back to work on this home within the next month. Jake's home is scheduled to start in April, weather permitting, and the Pullman home shortly after. Homeowner application reviews are well underway, and we look forward to revealing the new Pullman homeowner at Beans 'n' Jeans!

Construction Update
Ramps & Rails

New home repair requests were slow out of the gate in the new year, but things are starting to ramp up! Our faithful volunteer crew has promptly responded to incoming requests; three ramp installs, a ramp retrieval and a handrail install so far this year.

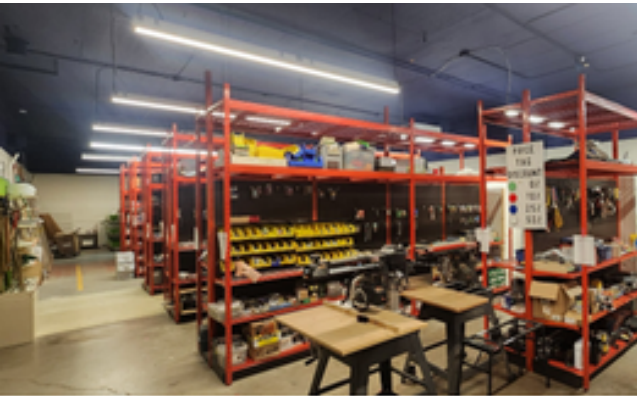

Do you know someone who could benefit from a ramp or handrail install? Learn how you can apply below. Our waiting list is short so spread the word!

New Staff
Maja Jovanovich
Construction Manager

Maja, a Pullman native, received a BA from WSU, and spent her first years in project management with METER Group. Later, Maja went to work for her family's business, R.B. Olson Construction, LLC, as a construction manager. Now, as Palouse Habitat's Construction Manager, she oversees builds and Ramps & Rails projects, combining her passion for people and construction. Maja and her family live on a hobby ranch where they care for their horses, cattle, and big Labrador.

ReStore Update

The ReStore kicked off 2025 with a great start following its "Refresh" at the beginning of January. Thanks to Moscow & Pullman Building Supply, we were able to acquire "new-to-us" shelving that sparked the exciting transformation of our store. MPBS went above and beyond by training us on how to assemble the shelving and helping us design the perfect layout. Now, it's easier than ever to explore and shop the ReStore! We want to extend a special thank you to our customers and volunteers, whose support made this transformation possible. We couldn't have done it without you!

Beans 'n' Jeans 2025

Our 17th annual Beans 'n' Jeans fundraiser is right around the corner. You can help build the 2025 Habitat home in Pullman!

The online auction opens Saturday, April 12, at 12:01 AM and runs through Saturday, April 19, at 4:00 PM. The online auction will feature over 200 unique items and experiences to bid on.

The Beans 'n' Jeans in-person event will be held on Saturday, April 19, at 5:00 p.m. at the SEL Event Center in Pullman. The evening will feature a live and silent auction, BBQ dinner, a photobooth, games, and chances to build the 2025 Habitat home.

Visit palousehabitat.org or scan the QR code to learn more and stay up to date on all things Beans 'n' Jeans.

Local Businesses Help Build Homes

Born and raised in Moscow, Lane Brooks has a deep-rooted connection to his community. Starting with Superior Floors as a teenager, and now as the owner, he is committed to making a difference in his community.

Over the past two years, Lane, through Superior Floors, has donated inventory overstock to the Palouse Habitat ReStore. This gesture was driven by his desire to support families in need on the Palouse. For Lane, knowing that his donations help people in need makes all the difference.

As a local business owner, Lane encourages others to donate to the ReStore. He firmly believes that even small contributions have a lasting impact, and by working together, we can make a real difference in the lives of those who need it most.

If you or your business could donate building material to be used on a Habitat home build or sold at our ReStore, please contact Josh Paparazzo, ReStore manager, at store@palousehabitat.org.

Apply for Ramps & Rails

Do you, or someone you know, need help accessing your home? Palouse Habitat for Humanity's Ramps & Rails program is here to help. We're accepting applications to install or repair ADA-accessible ramps or exterior steps, decks, and railings to ensure safe access to the home and at no charge to the recipient.

If you or someone you know could benefit from this service, don't wait—apply today! Scan the QR code or visit palousehabitat.org for more information on how to apply.

2024 In-Kind Gifts to Palouse Habitat Projects

In 2024, Palouse Habitat's and the ReStore's success was made possible by Superior Floors, Moscow & Pullman Building Supply, Sherwin-Williams, Early Bird Supply, Tri-State Outfitters, Bev's Office Services, Mikey's Gyros, Marlitt Painting, Inland North Waste, Moscow Alehouse, Bishop Law Office, Pinnacle Appraisals, Pullman Radio, Inland Northwest Radio, Northwest Public Broadcasting, Central Premix, Palouse Residential Designs (Darryll Sherman), Cafe Artista, Howard Hughes Appliance, Design West Architects, Television and Sleepshop, the Unitarian Universalist Church of the Palouse, and more. Thank you all for everything you do for our community!
